Description

OIKO is a Spanish consulting firm specialized in international consulting. We have been operating since 2004, providing our services worldwide, to developing countries and emergent economies. We focus on sustainable development, including any ecological, technological, social and economic dimensions affecting the balance of sustainable growth. Our consulting team advises clients from private and public sectors and international organizations on several sectors, namely Climate Change, Environment and Natural resources, Agriculture and Food security, Renewable Energy. In the last years, we focused on addressing climate change issues, delivering consultancy on adaptation and mitigation, as well as on climate finance.

Who are we looking for?

Able to work in and lead a team, solution-oriented, able to work with deadlines and work plans, interested in the fields of sustainable development and climate change, proficient working knowledge of English (written and oral), good knowledge of the main office software (Microsoft Office, emails, video call platforms, online databases, etc.).
Eventual appreciated skills are knowledge of other languages (esp. Spanish, French), advanced digital tools and software (statistical, graphical), communications and social media.

What can you do with us?
