Practical information

[The International Students & Scholars Office](#) (ISSO) helps students prepare for their stay, assists them upon arrival and throughout their mobility, in Grenoble and Valence: accommodation, immigration policies, practical matters, insurances, etc. On the website, you can download Welcome guides and information sheets. You will find here the main steps to take to settle in: [+ information](#).

HOUSING

This process does not concern Valence: the host faculty will contact students directly to inform how to find an accommodation. Students can choose between two main kinds of accommodation: university residences (**public or private**) and the **private rental sector**. For exchange students who apply for residences in the public sector: they automatically receive credentials by email (check the SPAM folders), allowing them to access the online housing application platform. Students who meet the deadlines will receive one offer of accommodation only from the International Students & Scholars Office (ISSO).

ACCOMMODATION APPLICATION PROCESS

	1 st semester and full year	2 nd semester
Opening of access to the platform	Mid-May	October 14 th
Deadlines of accommodation application process	End of June	November 15 th
Housing assignments	Mid July	A month before arrival

Requests for accommodation made after the deadlines have no priority and will be subject to availability of the remaining accommodation. The type of accommodation and the residence allocated will generally be notified one month in advance. In France, most payments (rent, current expenses, health expenses, etc.) are made by bank card. Some of them will be necessary even before your arrival (security deposit, first rent). If you do not have one, we advise that you order one from your bank, to pay in the euro zone and/or online payments at reduced rates.
